Craft Sessions At Memorial Park Feature Holiday

Approximately 25 youngsters competed in the Vista Playground Tetherball Tournament. Competition was keen and aroused considerable neighborhood interest. Playground director Frank Granier announced the following winners: Kathy Smith, first grade; Emily Groze, second grade; Skip Casey, fifth grade; and Ron Harrings, sixth grade.

Craft classes at Memorial these days are featuring Thanksgiving decorations and favors. Craft sessions with the directors are alternated with a program of games.

The basketball free throw contest winner of the week at Memorial Park was Danny Henderson with a record of 82 baskets out of a possible 100. Entries are being taken for three basketball teams for a three playground basketball league.

THE NEXT REGULAR

MEETING of the Mother's Club of Bethel No. 255 International Order of Job's Daughters will be held at the home of Mrs. Inez Street, 1725 Madera, Berkeley, December 1 at 7:45 p.m.

Assisting Mrs. Street will be Mesdames Delia Cummings and Betty Woodward. A Christmas Party is planned for the evening. Mary Ann Barton, retiring Deputy Grand Guardian, will be a special guest. All Bethel mothers are urged to come and join in the fun.

ALBANY BETHEL NO. 265, International Order of Job's Daughters has planned a Sunshine Social at the home of Judy Williams, 616 Spokane Avenue, Monday, November 30, at 5:30 p.m. It's going to be a lot of fun.

A "TALENT" LUNCHEON will be served by the Woman's Society of Christian Service of the Albany Community Church, 980 Stannage, on Thursday, December 3 from 11 a.m. to 1 p.m. Child care will be provided.

Talent that will be for sale, will be home baked foods, dolls, pillowcases, tea towels, aprons, plants and white elephants. Luncheon tickets are priced at \$1.00.

EDWIN DONAHUE, President of the Boys Club of El Cerrito, today invited the parents of more than 400 members of the club and the general public to an "old-fashioned spaghetti feed and dinner dance" on December 5 at the Albany Veterans' Memorial Building, 1325 Portland

Avenue, Albany. Cocktail hour begins at 6:30 p.m., followed by dinner at 7. Proceeds from the dollar-a-plate dinner will go to the Boys Club of El Cerrito.

THE ALBANY SWIMMING POOL will be closed Thursday, November 26, but will be open for recreational swimming Friday evening, 7:30-9:20 p.m. and Saturday afternoon, 3:00-4:50 p.m., November 27 and 28.

Polio Clinic at Cornell School Sunday, Nov. 29

A Polio Clinic will be held on Sunday, November 29 at the Cornell School Cafeteria from 10:00 a.m. to 2:00 p.m. This clinic was previously postponed to this more convenient date. It is sponsored by the Albany Junior Chamber of Commerce in cooperation with the National Foundation (March of Dimes). Cost of the shots is \$1.00 per person. All personnel working at this clinic are donating their time and efforts to the task.

The purpose of the clinic is to encourage more people to start their polio shots and make it convenient for others to finish their series which they may have started at an earlier date. All proceeds of the clinic, over the cost of the serum, will be donated directly to the March of Dimes in furtherance of their work.

Polio has declined considerably since the Salk vaccine has been used. However, there are many people still suffering from its effects who contracted the polio virus before the introduction of the Salk vaccine. Nearly all people who have been stricken with polio in the past few years are those who have either not had any shots or who have not completed their series.

This clinic will be open to the public and is not restricted to residents of Albany. Remember, you may be doing yourself, your family or a friend a real favor by encouraging them to start their series of polio shots.

Rev. O. R. Janke Will Address Soroptimists

The Albany Soroptimist Club will hold a luncheon meeting on Wednesday, November 25, at the Albany Y.M.C.A., 921 Rains Avenue. President of the club, Mrs. Gertrude Filicetti will preside.

The club has secured as its speaker for the Thanksgiving luncheon program the Rev. O. R. Janke, Pastor of the Grace Lutheran Church at Santa Fe Avenue and Ward.

Committee Is Formed For Xmas Decoration

At a meeting November 19, the Albany Christmas Decorating Committee of the Albany Chamber of Commerce was formed. This committee is composed of representatives of Albany business men of San Pablo and Solano Avenues, and the Albany Recreation Department. Its purpose is to present and carry out plans for a unified Christmas Decorating program for the city.

The three major projects for 1959 are: The Solano Avenue Merchants' plan for the planting of living trees in redwood boxes as a step in the beautification of this avenue. These trees will be decorated for the holidays. The second project is the lighting of San Pablo Avenue with the annual colored Christmas lights. The third project is a city wide project of the creation of "Christmas Lane" on Key Route Boulevard. Additional plans include a Home Decoration and Lighting Contest.

Initial members of the committee are: Ingraham Read Jr., MacGregor Homes, 1391 Solano and president of the Solano Avenue Merchants Association; Joe Dagna Jr., Dagna's Market, 1382 Solano Avenue; John D. Pleich Jr., Flowerland Nursery, 1330 Solano Avenue; Bernice Boyd, Security Savings and Loan Association, 1377 Solano Avenue; Tom Gabriel, Lexicon Store, 619 San Pablo; May Ellis Olson, Ellis Olson Mortuary, 727 San Pablo; F. E. Baird, F. E. Baird Plumbing, 627 San Pablo; and Elmer Nelson of the Albany Recreation and Park Departments.

Hill and Dale Fete To be Held Nov. 24

Planning to meet for a social evening at the Madera School, Madera Drive and Arlington Avenue, El Cerrito, Tuesday, November 24, 1959, are the members of the Hill and Dale Women's Club, El Cerrito.

PLANNING A MAJOR CAMPAIGN: Leaders of the huge Cancer Society Questionnaire campaign are shown checking over a map of Alameda County in which 8400 families are being checked in an effort to secure additional data on the causes of the disease. These 8400 families represent 25,000 residents of Alameda County who have signed confidential questionnaires which will be sent back to New York where they will be classified and filed. The study is planned to cover a period of six years. Mrs. Kent D. Pursel, wife of Alameda County Supervisor Pursel, is heading the drive. Her aides include: Mrs. Irving Liner, Berkeley Chairman, at left above; Mrs. Russell Monson, Albany Chairman (center), and the general chairman for Alameda County, at right. Seven hundred volunteers are doing the contact work under Mrs. Pursel's direction. — Gazette photo.

Chamber Chatter

By IRENE GROVE

Big things are in the offing to make Albany a real "Christmas City". A group of your "busy" and progressive Albany business men and women from your Chamber of Commerce have formed the Albany Christmas Decorating Committee to make this possible. A Christmas decorated city is a progressive one... such an atmosphere not only stimulates business but creates a community spirit of cooperation and good will during this wonderful time of the year.

Three major projects are being planned. The Solano Avenue Merchants plans for the permanent landscaping of the Avenue with live trees, which will be decorated for the holidays as was given you last week. Every effort is being made so that the Christmas lights will again herald Christmas on San Pablo.

The third project is a city wide plan to make Key Route Boulevard a truly "Christmas Lane". There will be a nativity scene and lighted Christmas trees. This project is under the able direction of the Albany Recreation Department and its director, Elmer Nelson. (The plans look

wonderful!) A meeting is called for Tuesday night of representatives of all Albany organizations to ask their cooperation and participation so this may be truly city wide. Residents on both sides of Key Route Boulevard will be asked to set up individual decorations at their homes... sounds exciting, doesn't it? This program should grow and improve each year, making this street and Albany a major holiday attraction for the whole area.

But... it doesn't stop there. There are also plans for a city wide "Home Decoration Contest" to be sponsored by your Chamber of Commerce with prizes for the outstanding entries. Entry blanks will be available from Chamber of Commerce members... details will be announced later, so look for them.

Three cheers for the Albany Lions Club, President Phil Martin and Chairman Bill MacKenzie for recognizing the very outstanding Albany High School football squad and Coach Bill Savage, at the annual banquet in their honor, December 3. The place will be Spenger's and the time 7 p.m. Here in Albany, as in many other cities of this Bay Area, the general public and sports fans, in the midst of professional and college ball, sometimes lose track of our fine high school athletic program and do not give these athletes the recognition they deserve or would receive in other sections of the country.

We do have a fine football squad at Albany High, a team that played some good games (Continued on Page 2)

Roy Rogers in 'Safari in Africa By Outboard'

Eddie West, the outboard expert, will be chairman of the day at next Tuesday's Rotary luncheon. He promises to present an exciting "movie" entitled "Safari in Africa by Outboard," with Roy Rogers in the leading role.

The luncheon, as usual, will be held at Spenger's Restaurant on 4th Street, north of University Avenue in Berkeley. The time: 12:15 p.m. President Roy Hartford will preside.

This week Rotarians and guests heard a very interesting talk by Captain Elias B. Mott, II, of the United States Navy. Captain Mott graduated from the Annapolis Naval Academy in 1930 and took part in many of the leading operations in the Pacific during the last war. He is now Director of Navy Recruiting for the eleven western states and resides in Pleasant Hill.

MacGregor School Surpasses Goal in P.T.A. Members.

A member for each child in the C. M. MacGregor School was the goal set by Mrs. Donald Pihl. This goal was exceeded with each grade going over the top and making the entire school 100 per cent. With 137 children enrolled in the school the PTA now has a total membership of 138.

Each class was given a cash prize to be used for some special project for its room.

Although the membership contest is over, Mrs. Pihl has announced that new members may join at any time.

CITY HALL RECEIVES REPORT ON BUILDINGS

The Albany City Council faced a number of important items on its agenda Monday night. Among those listed under "Unfinished Business" were the following:

Report of the State Fire Marshal on his survey of Albany's public buildings, which had been requested by the city council; passage of resolution No. 59-91 accepting an agreement recommended by the city engineer for re-roofing of the Recreation and Pre-School buildings; a report from the Albany Christmas Decoration Committee, explaining its program for decorations during the holiday season, and requesting an appropriation of \$1500 for this project.

The report from State Fire Marshal Joe R. Yockers, by his Senior Deputy John W. Fricke, was in considerable detail with 36 paragraphs of recommendations designed to at least temporarily correct violations of safety code rulings. The report covered the following buildings:

Fire Station, Ambulance building, Police Station, Fire Department Auxiliary Building, City Jail, and the City Hall.

There was also a public hearing in connection with the rezoning of Lots 20 and 21, Block 1, Regents Park Map No. 7, requested by the Berkeley Lee firm at 718 San Pablo Avenue, which desires to erect a large plant facing on San Pablo and going through to Adams Street. The Adams Street property is now zoned as residential, and many residents of the area are opposed to extending commercial properties through the block. The Chamber of Commerce is on record as favoring the proposed rezoning.

Albany Lions Club to Sponsor Football Banquet

December 3 is the date set for the annual Albany Lions Club sponsored Recognition Banquet for the Albany High School varsity football team. The place will be Spenger's Fish Grotto and the time will be 7 p.m.

An interesting evening is promised with Bill Taylor, of the University of California, coaching staff as speaker. Individual trophies will be presented to outstanding players of the team selected by their team mates. In addition each member of the squad will receive an award.

Special recognition for this event goes to chairman of the evening, Bill MacKenzie, last year's president of the Albany Little League and Lions Club president, Phil Martin.

The banquet is open to the public and tickets will be available at the following places: Richard's Jewelers, 1272 Solano Avenue; Call Bros. Jewelers, 830 San Pablo; Johnny's Flying A Service, 1324 San Pablo, and the Chamber of Commerce office, 1108 Solano.

NOTICE OF PUBLIC HEARING

Pursuant to Section 65650 et. seq. of the Government Code of the State of California, notice is hereby given that the Planning Commission of the City of Albany shall conduct a Public Hearing for the purpose of determining whether or not a precise plan of zoning be recommended to the City Council of the City of Albany. Said Public Hearing shall be held on December 3, 1959, in the Council Chambers, City Hall, 1045 Solano Avenue, Albany, California, at 8:00 p.m. or as soon thereafter as the matter may be heard. Persons interested may appear and present arguments in favor of or in opposition to the proposed precise plan of zoning.

Dear Editor:

As I write the check for my
taxes, I am happy that part of
my tax helps to care for the
needy of our county.

Much has been made of the
graft in relief this year. No
doubt, there is graft, but when I
think of relief in years long
gone, I know we were "taken in"
in those days also. When people
were cared for by neighbors tak-
ing in food, fuel or medicines,
the help given was meager and

very irregular. But with the help
of conscientious officials, like
Kent Pursel, and trained social
workers, we can know that the
help which is now given, though
just enough for necessities, is
far better than was received by
those in need in old time days.

True, when one took in some
food to a neighbor, you felt good.
What I am trying to say is that
in my imagination, I am now go-
ing with the social worker to
help needy families with my tax
money, and doing a better job
than it would be possible other-
wise.

I do hope that the social work-
er, as he or she contacts the
needy ones may do so in Christ-
like love and sympathy, realiz-
ing that but for God's grace the
social worker or any of us might
be the one in need.

Yours truly,

Use of Parking Lights as Driving Lights Illegal

It is illegal to use parking
lights as driving lights, warns
the California Highway Patrol.

The California Vehicle Code
provides that no vehicle shall be
driven at any time with the
parking lamps lighted except
when the lamps are being used
as turn signal lamps, declared
Bradford M. Crittenden, Commis-
sioner of the Patrol.

"This language is perfectly
clear, yet many motorists con-
tinue to drive at dusk, dawn and
in fog with only their parking
lamps burning," he asserted.

"It only is this practice il-
legal it is dangerous. Too many
accidents occur because one
driver didn't see another car ap-
proaching or because he mis-
judged the speed at which the
car was traveling. Using park-
ing lamps as headlights contrib-
utes to these accidents."

The Patrol Commissioner also
urged motorists to check their
automobile lights frequently to
see that they are working prop-
erly. Broken or burned out tail
light and stop lights are respon-
sible for many rear end collisions
that would otherwise not have
happened, he declared.

The Berkeley Garden Club will have its "Christmas" luncheon meeting, Tuesday, December 1 at 12 noon at John Hinkle club-house. A festive Christmas salad luncheon will be served by the social committee. Mrs. E. J. McLaughlin, chairman, will be assisted by Mesdames W. H. Adams, R. A. Allison, A. K. Conner, J. L. Creighton, C. Hester, P. L. Higley, Leona Leedom, A. J. Martin, C. F. Ricker, W. M. Warren and F. W. Weyeneth. The club will honor five new members at this luncheon. Mrs. R. W. Elchert, membership chairman, will honor Mesdames Addison H. Fording, Charles O. Dull, James F. Roberts, James A. Craig and A. J. Humphrey. Mrs. P. F. Garretson will decorate the clubhouse and tables with her unusual Christmas arrangements.

After the luncheon Mrs. E. J. Strohmaier, president, will turn over the meeting to Mrs. D. Reynolds who will direct the program: "Yule Trees and Trinkets — Old and New." Members will present many ideas, demonstrations and displays of Christmas trees and trinkets. The following members will take part: Mesdames W. I. Brucklacher, K. Brunner, W. U. Ellis, R. B. Giles, L. Hohl, O. Jeschien, D. R. McGregor, J. B. Mock, D. Moosman, G. R. Moss, E. H. S. Horsch, J. T. Shaler and L. W. Whixon.

At the November meeting the Berkeley Garden Club voted to

Ginger Fritts Guesses Right

Fifteen-year-old Ginger Fritts, 1805 Elmwood Road, Hillsborough, is \$100 richer today because she is good at weight-guessing.

Ginger estimated exactly the weight of Lucky 13, the black Angus steer which was object of a contest sponsored by Acacia Branch of Children's Hospital of the East Bay at the recent Livestock Exposition at the Cow Palace in San Francisco. The steer weighed 925 pounds.

help the Nature Conservancy acquire virgin forest land on the South Fork of the Eel River in Mendocino County by buying an acre of land. This area will be preserved by Nature Conservancy for the public's enjoyment. Mrs. George Creech was appointed chairman of a new Garden Therdap study group which will work in cooperation with the garden clubs in this area. They will work with the handicapped, aged and other groups.

Mrs. J. T. Shaler assisted by Mrs. K. Brunner and Mrs. E. H. Schorsch will continue the flower arranging study group through January. Mrs. R. J. Henderson, civic chairman, assisted by Mrs. J. L. Creighton, Mrs. A. J. Dix, Mrs. W. A. Kerr and Mrs. R. W. Mossman has kept a display of specimen chrysanthemums in the Berkeley Public Library this month. In January they will have specimens of many common and unusual dried materials and arrangements in the Library.

Albany Police To Sponsor New Hunter Training

The Albany Police Department will soon conduct another Hunter's Safety training course. This course, although designed for younger people, will demonstrate the safe handling of firearms to persons of any age.

It is gratifying to note that since this course has been given throughout the country, there has been a substantial decrease in firearm accidents.

Any young person who is able to read and write is eligible to take the course. Applications for the course will be accepted at the police department. It is hoped that everyone whose child is interested in firearms will see that he or she attends.

Skier To Show Latest Film

John Jay, world famous skier, photographer, and commentator, will appear on December 1 at the Berkeley Community Theatre at 8 p.m. to personally narrate his latest film, "Mountain Magic." Mr. Jay is one of the official photographers for the VIII Olympic Winter Games at Squaw Valley. "Mountain Magic" is packed with human interest, beauty, comedy, excitement, and appeals to skiers and non-skiers alike. Tickets will be available at the door the night of the performance or may be purchased from local sporting goods shops.

Forest of Xmas Trees Will Benefit Children's Hospital

A sparkling forest of about 180 tiny artistic Christmas trees will be exhibited at the ninth annual Festival of Christmas Trees sponsored by the branches of Children's Hospital of the East Bay.

The engagement will run for seven days this year, December 1 through 10, on the mezzanine of the Hotel Claremont.

On display and for sale at the Festival will be trees which are the results of hours of creative work on the part of branch members and friends of the hospital including decorators, artists, florists, civic leaders, and business and industrial firms.

The gala affair will open on Friday night, December 4, with a gay preview party to take place in a new room on the Claremont Hotel's mezzanine floor, starting at 5 p.m. and ending at 11 p.m.

On Saturday and the remaining days of the show, the display will open at 10 a.m. and close at 10 p.m.

Another special feature of the Tree Festival will be the Variety Show for children on Saturday. Two performances are scheduled — at 10 a.m. and 1 p.m.

All proceeds from admissions and the sale of the unusual Christmas trees will benefit the Children's Hospital of the East Bay's charitable program of medical care for thousands of children.

THE KIDDIES ARE HAVING THEIR INNINGS this Thursday (Thanksgiving); again next Sunday, and following Sundays to Christmas, at Hotel Claremont. Last Sunday TV's Captain Satellite, with his full space equipment, was on tap for the youngsters. On Thursday there will be Captain Fortune to entertain them, and so on each Sunday night an outstanding figure. The series is being put on in connection with the hotel's buffet suppers for the young folk guests. In addition to the show each child will receive a special gift and an autographed photo. The man in the robot suit is Marvin Elfrun. — photo by Bill Ricco.

Christmas Gifts for Sweethearts

Is romance an important item on your Christmas list?

Young men interested in playing the role of romantic Santa

Claus to their special girls are chalking up some surprising

statistics these days, a prominent cedar chest manufacturer

discloses.

Over 47 per

cent of all

Christmas cedar

chest sales are

to boys who pre-

sent them as

gifts to the girls

they'd like to

marry.

The "sweet-

heart chest" as

it is now called

is a smart func-

tional piece of

furniture. Pro-

duced in walnut,

maple, oak, or

mahogany it en-

hances her pres-

ent decor and is

usually the first

thing to be

moved to a hon-

eymond house or apartment when Miss America becomes a Mrs.

Deep cedar-lined chest interiors protect delicate cashmere

sweaters and other soft woollens from moth damage, and many

models have ample felt-lined drawers for silver collections or

self-irising trays for such small articles as jewelry, acces-

sories, or delicate lingerie.

This romantic furniture item is a featured Christmas gift

in a great many furniture and department stores.

Available in modern, colonial, French Provincial, and other

designs, the cedar chest is a gift to delight the heart of a girl

with a boy on her mind.
